# CUSTOM RF SOLUTIONS

Cinch Connectivity Solutions' SMP Ganged and Board to Board RF Connector Solutions. Our SMP Product Family is launching a standard offering of a 4 port board to board solution, which can also be configured as a cable assembly to a ganged connector offering. The 4 port version can be optimized and customized to meet customers' needs for number of ports, board spacing, connector separation spacing, and cable type/lengths, etc.

## Applications

- Networking router and switches
- Test and Measurement rack system
- Instrumentation Test Fixture Equipment
- Semiconductor ATE Test Boards
- Wireless Infrastructure Antenna Systems
- Radar Systems

## Features

- Mating force spec 15 lbs engagement/ 5 lbs disengagement per SMP Full Detent specs, complies with MIL-STD-348A SMP specifications.
- Frequency range: DC to 40 GHz
- 50 ohms, Brass or Stainless Steel
- Scalable & cost effective up to 8 ports with one or two rows

## CONNECTORS

### Male, Full Detent, Vertical PCB Surface Mount

| Part Number  | Description |             |                            |     |            |  |
|--------------|-------------|-------------|----------------------------|-----|------------|--|
| 127-0711-221 | Male        | Full Detent | Vertical PCB Surface Mount | SMP | 4 Position |  |

### Male, Full Detent, Right Angle PCB Surface Mount

| Part Number  | Description |             |                               |     |            |  |
|--------------|-------------|-------------|-------------------------------|-----|------------|--|
| 127-0711-321 | Male        | Full Detent | Right Angle PCB Surface Mount | SMP | 4 Position |  |

Male, Smooth Bore/Limited Detent, Vertical PCB Surface Mount

| Part Number  | Description |                |                            |     |            |
|--------------|-------------|----------------|----------------------------|-----|------------|
| 127-2711-221 | Male        | Smooth Bore    | Vertical PCB Surface Mount | SMP | 4 Position |
| 127-1721-221 | Male        | Limited Detent | Vertical PCB Surface Mount | SMP | 4 Position |

Male, Smooth Bore/Limited Detent Right Angle PCB Surface Mount

| Part Number  | Description |                |                               |     |            |
|--------------|-------------|----------------|-------------------------------|-----|------------|
| 127-2711-321 | Male        | Smooth Bore    | Right Angle PCB Surface Mount | SMP | 4 Position |
| 127-1721-321 | Male        | Limited Detent | Right Angle PCB Surface Mount | SMP | 4 Position |

Male, Full Detent, Cabled

| Part Number  | Description |             |        |     |            |
|--------------|-------------|-------------|--------|-----|------------|
| 127-0593-011 | Male        | Full Detent | Cabled | SMP | 4 Position |

# Female to Female Bullet Adapter

| Part Number  | Description      |                |     |        |
|--------------|------------------|----------------|-----|--------|
| 127-0901-801 | Female to Female | Bullet Adapter | SMP | 0.254" |

## CONFIGURATIONS

### Stacked Vertical PC SMT SB or LD to a Vertical PCB SMT FD

(0.484" spacing – fully mated)

### Coplanar Vertical PC SMT SB or LD to a Right Angle PCB SMT FD

(0.259" spacing – fully mated)

### Orthogonal Right Angle PC SMT SB or LD to a Right Angle PCB SMT FD

(0.034" spacing – fully mated)

### Right Angle PC SMT SB or LD to a Straight Cable Mount FD

(0.034" spacing – fully mated)
